

Vacancy Announcement WAF #03

Position Title: Physiotherapist

Location: Arua and Terego districts, West Nile, Uganda

Organization: World Action Fund

Project: Community-Based Rehabilitation

About World Action Fund:

World Action Fund is an indigenous organization committed to empowering vulnerable communities through health, education, and livelihood interventions. As part of our ongoing initiatives, we are implementing a Community-Based Rehabilitation (CBR) project aimed at improving the quality of life for individuals with disabilities in the Arua and Terego districts and surrounding areas.

Position Summary:

We are seeking a highly motivated and skilled **Professional Physiotherapist** to join our team in Arua and Terego districts. The successful candidate will play a key role in providing physiotherapy services to individuals with disabilities, supporting home-based rehabilitation, and working collaboratively with families, caregivers, and community stakeholders to promote inclusion and independence.

Key Responsibilities:

- Conduct comprehensive assessments and develop personalized rehabilitation plans for clients.
- Provide physiotherapy treatment to individuals with physical disabilities in home and community settings.
- Train caregivers and families on proper care techniques and exercises to enhance recovery.
- Work collaboratively with multidisciplinary teams, including counselors, medical personnel, and social workers.
- Organize and participate in community sensitization programs to promote awareness of rehabilitation services.
- Maintain accurate client records and prepare progress reports as required.
- Participate in capacity-building workshops and contribute to the development of the CBR project.

Qualifications and Experience:

- Bachelor's degree in Physiotherapy or related field from a recognized institution.
- At least 2 years of professional experience in physiotherapy, preferably in community-based settings.
- Experience working with individuals with disabilities is highly desirable.
- Strong interpersonal and communication skills.
- Ability to work independently and as part of a multidisciplinary team.
- Fluency in English and local languages spoken in the West Nile region is an advantage.

Key Competencies:

- Compassionate and patient-centered approach to care.
- Excellent organizational and time-management skills.
- Proficiency in designing and implementing rehabilitation plans.
- Cultural sensitivity and a commitment to community engagement.

How to Apply:

Interested candidates are invited to submit their CV, cover letter, and copies of relevant academic certificates to and academic transcripts to the Executive Director, World Action Fund, waf.uganda@wafuganda.org indicate with the subject line “**Application for Physiotherapist Position**” or deliver hard copies to the World Action Fund , P.O Box 340625 ,Arua City, Ediofe Catholic Mission Cathedral/Procure Offices by **10th January, 2025 by 4:00PM EAT.**
